OUTBACK WORKS ON PAPER

Since 2005 we have travelled to and taught at Broken Hill, Fowlers Gap multiple times, Kinchega Station, Olive Downs North of Tibooburra, Ross River in the East MacDonnell Ranges, Hale River, Arkaroola, Lucknow near Lennox Head, King Island in Bass Strait and across the Nullarbor.

Ross has taught at Art workshops in these places and many times Myf has been a driver of one of the 4 wheel drives on these trips.

On each of these trips there has been a small window to make our own work.

This Exhibition is en plein air drawings & gouache, predominantly of work made at Ross River & Arkaroola.

These areas in particular lend themselves to drawing with the bones of the landscape being so revealed.

Ross & Myf are Represented by King Street on William Gallery

Ross is also represented by EDWINA CORLETTE GALLERY
